Meeting Minutes

October 9, 2013 Myers Elem,

Board Members Present: Tom Kelly, Joe LaFreniere, Mitch Elstun, Sue Apodaca

Homeowner Present: Heather Sherwood, Christine Wiegall, Stacey Kline

At meeting the landscaping of Burley Hill Loop and the Detention Basin was discussed. There is a concern that the plants and trees are not being cared for properly.

We discussed calling Gilbert of Great Yards about the concerns. Dead plants will be removed but not replaced. Plants will be removed that are crowding the trees. The hedges will be trimmed to 5 feet. Heather Sherwood will advise on the plants.

Stacey Kline presented a statement about the Eola Detention Basin trees. (attached) We will advise Great Yards Landscaping to leave the trees a 2 foot circle around the base. Also, to not trim any more branches off the trees.

Detention Basin needs one more mowing.

Paid the bills.

Discussed projects we may undertake next year.

Meeting adjourned at 8:05
